

**New Jersey's Clean Energy Program™
Hurricane Sandy Relief – Enhanced Incentives
Certification Form**

New Jersey's Clean Energy Program is offering customers who are replacing equipment/appliances in a home or business damaged by Hurricane Sandy enhanced incentives when purchasing high efficiency equipment. These enhanced incentives are in addition to current incentives in place for purchasing high efficiency equipment.

All customers requesting increased incentives due to damage caused by Hurricane Sandy are required to submit a signed certification form.

Customer's place of residence should be located in a Sandy designated area (see eligible zip code list) or if your residence is outside of the zip code list, you may qualify for increased incentives by demonstrating that you experienced damage caused by Hurricane Sandy. Applications for Hurricane Sandy relief incentives will be reviewed on a case by case basis. Please contact 866 NJ-SMART for additional information.

Please read and acknowledge the statement below that certifies that you are a customer that has been impacted by Hurricane Sandy.

I certify that my home experienced damage caused by Hurricane Sandy and I am requesting New Jersey's Clean Energy Program's enhanced incentives. I also certify that these incentives, in conjunction with any FEMA or Homeowner's insurance payments that I have received, will not exceed the total cost of the equipment to be replaced.

Customer Signature: _____

Print Name: _____

Street Address: _____

City _____ **State** _____ **Zip Code** _____

Phone Number: _____ **Email:** _____

Unit/Appliance Type: Furnace Boiler Water Heater Central Air Heat Pump Minisplit AC

Instructions

This form should be attached to a WARMAdvantage or COOLAdvantage Rebate application form in order for the rebate application to be processed as a unit replaced due to Sandy. Follow mailing instructions on the WARMAdvantage or COOLAdvantage forms which can be found on our website at NJCleanEnergy.com.

Note: If you **have already mailed** your WARMAdvantage/COOLAdvantage rebate application please mail this certification by itself to the below address:
